Full Service & Protection

Everything covered with one rate, one invoice, one contact person: Schmitz Cargobull offers a unique combination of full service and insurance cover. Full Service covers the costs of maintenance and wear and tear. "Protection" as insurance with all-risk coverage comprehensively covers severe damage as well as own and third-party faults.

Claims management from a single source: In the event of damage, the costs are settled centrally via Full Service. You pay a joint rate that remains fixed for up to 72 months.

Better insured - "Protection" with all-risk coverage

The benefits in direct comparison with comprehensive insurance

Comprehensive insurance with all-risk coverage is significantly more powerful than the traditional partial and comprehensive insurance policies.
