

The full service contracts

All-round protection – always and everywhere

Full service contracts allow you to concentrate fully on your core business while we coordinate inspection and maintenance work, carry out repairs and take care of the financial side of things.

Functional trailers and full cost control.

Depending on the vehicle type
and operating conditions, we offer you
modular service modules that
are individually tailored to your needs.

information on
service contracts

Carefree mobility with Full Service Trailer

The Europe-wide repair and
maintenance contract for trailers
offers you full cost transparency
and covers all wear-related repairs.

Regular maintenance with Full Service Cooling Unit

With the Schmitz Cargobull Cooling Unit
you are prepared for all eventualities.
The cover includes regular maintenance
of all wearing parts and repairs to the
cooling unit.

Full cost coverage with Full Service Tyres

You pay a monthly instalment and can
easily take your tyres to one of our
1,500 tyre partners in the event of wear
and tear or a puncture in Europe.

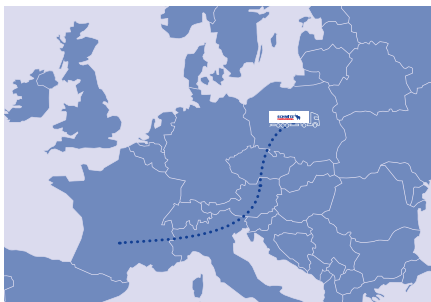

Repair & maintenance One instalment – everything included.

Schmitz Cargobull Euroservice can arrange a suitable service partner workshop if required.

The full service contracts include the costs for maintenance, statutory inspections and safety checks, country-specific checks and wear and tear at fixed instalments. You benefit from our professional and efficient service in the Europe-wide service partner network with over 1,400 service partners.

One call is all it takes – Europe-wide breakdown service Cargobull Euroservice can arrange a suitable service partner workshop if required.

International service

International service is included as standard in our full service contracts. Customers can have repairs and maintenance carried out internationally, regardless of their country of registration.

National Service

With the “National Service” option, customers can have repairs and maintenance carried out within a country, based on their country of registration. This option is available for the Trailer Service and the Cooling Unit Service.

Cargobull Euroservice

No matter where your driver is on the road, Cargobull Euroservice provides rapid assistance around the clock, 365 days a year in 40 countries.

More transparency with Smart Services.

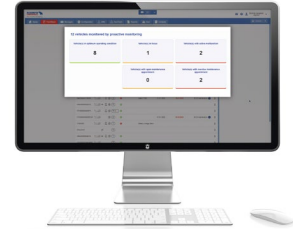

As a strong partner for your success, we provide you with transport solutions and services you can rely on, for more cost-effectiveness, efficiency and transparency in your fleet and along the supply chain.

TrailerConnect® Fleet Watch

The “Single Point of Truth” dashboard

The FleetWatch Dashboard offers you a “single point of truth” for operational fleet management. The Fleetwatch Dashboard also provides an overview of the fleet’s status and upcoming maintenance.

In future, **Predictive Maintenance** will ensure early detection of potential cooling unit failures and smooth transport operations.

Proactive Monitoring

for trailers and cooling units

With Proactive Monitoring for cooling units and now also for trailers, you can plan maintenance appointments in advance and ensure maximum uptime.

You can rely on:
